Amigurumi Angel

Free crochet pattern · dress, head, hair, wings and halo · mardingezituru.com

This little amigurumi angel is a cone-shaped dress, a round head with a brown hair cap, golden wings and a halo. She hangs on the tree or stands on a shelf, and she is a nice one to make in a few colors for gifts: swap the hair color, keep everything else the same.

The dress uses the same slow cone as our amigurumi Christmas tree, so it stands flat on its hem ridge. Every round below has its stitch count, and the printable PDF has the whole pattern.

The finished angel with her golden wings and halo.

Pattern at a glance

- **Skill level:** easy, with a little sewing
- **Finished size:** about 3.2 in / 8 cm tall with the head, dress 1.3 in / 3.2 cm wide at the hem
- **Yarn:** DK cotton, about 33 yd / 30 m in total
- **Hook:** 2.5 mm (US B/1–C/2)
- **Time:** about 2 hours

Materials

- DK cotton in cream (A) for the dress and arms, about 18 yd / 16 m
- Beige (B) for the head, about 7 yd / 6 m
- Brown (C) for the hair, about 4 yd / 4 m
- Mustard (D) for the wings and halo, about 5 yd / 4 m
- Small bits of pink (E) and dark brown (F) for the face
- 2.5 mm hook, stitch marker, tapestry needle, fiberfill

Yardage is calculated from the stitch counts plus about 20% for sewing. A slightly shiny cotton makes the halo and wings look golden; our best yarn for amigurumi guide explains why cotton keeps small pieces crisp.

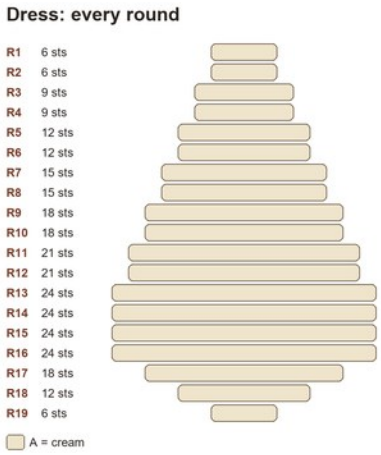

Abbreviations (US terms)

• **MR** magic ring · **sc** single crochet · **inc** 2 sc in one stitch
• **dec** invisible decrease · **BLO** back loop only · **FO** fasten off · **ch** chain · **sl st** slip stitch

Before you start

• The dress is worked from the neck down and widens by 3 stitches every other round. The BLO round makes the hem ridge she stands on.
• Embroider the face before you close the head. Short straight stitches for sleepy eyes are easier to get even than French knots on such a small face.
• The wings are flat circles folded in half, so each one is a little half moon with a rounded edge.
• This angel has small sewn parts and a hanging loop: a decoration, not a toy for babies.

The pattern

The dress grows from 6 to 24 stitches, then closes into a flat base.

Finish: Do not stuff; flatten and sew to the sides of the dress at R6.

Halo

Color: start with D (mustard).

A ring of 16 single crochet worked into a chain ring. It sits flat on top of her hair, the way a halo should.

- ☐ **Rnd 1:** Sc around. (16)

Finish: Ch 16 and join with a sl st to make a ring, then work R1 into the ring; sl st to the first sc, FO.

Finish: Lay the halo flat on top of the hair cap, centered, and tack it down at the front and back; optional hanging loop: ch 25, join, knot through the top of the head inside the halo.

Assembly

1. Sew the head onto the closed tip of the dress, going around twice so it stays upright.
2. Put the hair cap on with its front edge just above the eyes and sew all around the edge.
3. Sew one arm on each side of the dress at round 6, pointing slightly forward.
4. Fold each wing in half and sew the folded edges to the back between rounds 7 and 9, close together so they meet in the middle.
5. Lay the halo flat on top of the hair and tack it down at the front and the back. For an ornament, knot a 25-chain loop through the top of the head first, so the loop comes up through the middle of the halo.

Tips

- **Use a light skin tone yarn that matches your stuffing.** White fiberfill shows through dark yarn; tighten up or go down a hook size for darker shades.
- **Change the hair.** Blonde, black, red or grey hair caps make each angel different with the same pattern.
- **Make her stand.** Add a flat cardboard circle inside the base before closing it, and she will stand on a shelf without tipping.

FAQ

Can I add a face with safety eyes?

Use 4 mm safety eyes between rounds 5 and 6, 3 stitches apart. Anything bigger looks too large on an 18-stitch head.

Can I make her dress longer?

Add one or two straight rounds of 24 before the BLO round. Each round adds about 1/8 in / 4 mm.

She goes well with the amigurumi Christmas tree, the crochet snowman ornament and the bauble ornaments.
