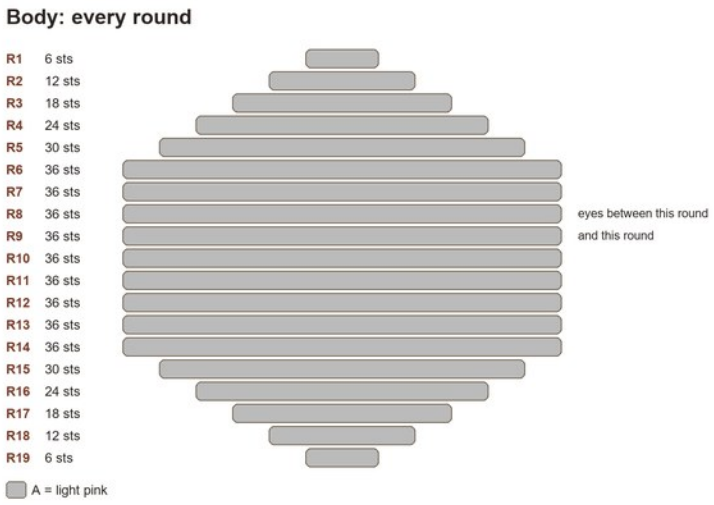
Free pattern: round amigurumi pig

The head and body are one ball, so there is no neck to sew. The snout is a short tube with a ridge from a back loop round, the ears are tiny flat triangles, and four stubby legs let it stand.

- **Size:** about 2 in / 5 cm wide, about 2.4 in / 6 cm tall standing
- **Yarn:** DK cotton in light pink (A) about 41 yd / 38 m and a little dark brown (B)
- **Also:** 2.5 mm (US B/1–C/2) hook, two 6 mm safety eyes, fiberfill, a tapestry needle
- **Time:** about 1.5 hours

Work in a spiral without joining. Put the eyes in before round 16. For a child under 3, embroider them instead.

The pig: one ball, a snout, four legs.



The body ball: 36 stitches for 8 rounds.
