Free Crochet Rabbit Pattern

Free amigurumi pattern · 7 in / 18 cm with ears · mardingezituru.com

A sitting rabbit with really long ears: each ear is 3.1 in / 8 cm, about as long as the head and body together, so they stand up and flop over at the tips. Everything else is a classic small amigurumi: round head, pear body, little arms, oval feet that point forward and a fluffy white pompom tail.

It is about 4.5 in / 11 cm tall sitting without the ears, about 7 in / 18 cm with them. A good Easter make.

FAQ

Can I make it without sewing?

Try our no-sew amigurumi bunny: the ears are crocheted first and joined into the body, so there is nothing to sew.
