Easy Crochet Flower Pattern

Free crochet pattern · 2 in / 5 cm flower · mardingezituru.com

An easy crochet flower with five rounded petals, in two rounds: a center of 10 single crochets in a magic ring, then five petals of double crochets with a slip stitch between each. A bigger version adds one round for wider petals. Each flower takes about 10 minutes.

The small flower is about 2 in / 5 cm across in worsted cotton, the big one about 2.75 in / 7 cm. Use them on hats, bags, cards, headbands or a garland.

Small and big 5-petal flowers in worsted cotton.

Abbreviations (US terms)

- **MR** magic ring · **sc** single crochet · **inc** 2 sc in one stitch · **dec** invisible decrease · **FO** fasten off
- **blo / flo** back loop only / front loop only · **ch** chain · **sl st** slip stitch · **hdc / dc** half double / double crochet

Before you start

- Join each round with a slip stitch to the first stitch. Flowers are worked in joined rounds, not a spiral, so the petals sit evenly.
- Pull the magic ring tight before the petal round, or the center shows a hole.
- Any yarn works: DK with a 3 mm hook gives a smaller flower, chunky yarn a bigger one.

- Put a button in the middle instead of the yellow center color.

FAQ

Why does my flower curl up?

The center is too tight for the petals. Work the 10 sc loosely in the ring, or go up half a hook size for the petal round.
