Infinity Scarf Crochet Pattern

Free crochet pattern · two lengths · mardingezituru.com

An infinity scarf in griddle stitch: single crochet and double crochet alternate along every row, and on the next row each sc goes into a dc and each dc into a sc. The result is a dense, slightly bumpy fabric that looks woven, drapes well and has no wrong side.

The scarf is worked lengthwise in rows, then the short ends are sewn together. There are two lengths: a long loop that wraps twice and a short cowl that sits close to the neck.

The long loop in dusty rose, wrapped twice.

Pattern at a glance

- **Skill level:** beginner (sc and dc in rows, sewing a seam)
- **Sizes:** long loop 60 in / 152 cm around; short cowl 30 in / 75 cm around; both 9 in / 23 cm wide
- **Yarn:** worsted (aran / 4) acrylic; long loop about 501 yd / 458 m, short cowl about 248 yd / 227 m
- **Hook:** 5.5 mm (US I/9)
- **Gauge:** 14 sts x 12 rows = 4 in / 10 cm in griddle stitch
- **Time:** about 6 to 8 hours for the long loop, 3 to 4 for the cowl

Abbreviations (US terms)

- **ch** chain · **sc** single crochet · **dc** double crochet · **FO** fasten off

Before you start

- Each row starts with ch 1 (it does not count) and a sc in the first stitch, which is always the last dc of the row before.
- The rows have an even number of stitches, so every row ends with a dc. If a row ends with a sc, you skipped or doubled a stitch.
- A long chain twists easily. Chain loosely, or chain with a hook one size bigger, and keep the chain flat as you work row 1.

The pattern

Long Loop

Color: start with A (dusty rose).

Ch 211. Row 1 starts in the 2nd ch from the hook.

- ☐ **Row 1:** (sc, dc) ×105. (210)
- ☐ **Rows 2–27:** Ch 1 turn, (sc, dc) ×105. (210)

Finish: Ch 211 and work R1 into the 2nd ch from the hook; after R27 FO with a long tail and sew the two short ends together.

Griddle stitch up close: sc and dc alternate and stack.

Short Cowl

Color: start with A (dusty rose).

Ch 105. Row 1 starts in the 2nd ch from the hook.

- ☐ **Row 1:** (sc, dc) ×52. (104)
- ☐ **Rows 2–27:** Ch 1 turn, (sc, dc) ×52. (104)

Finish: Ch 105 and work R1 into the 2nd ch from the hook; after R27 FO with a long tail and sew the two short ends together.

Finishing

1. Lay the strip flat and bring the short ends together without twisting.
2. Sew them together with the long tail, matching the rows, or sl st through both layers from the wrong side.
3. For a Möbius twist, flip one end over once before you sew. The scarf then drapes in a soft spiral.
4. Weave in the ends along the seam.

Tips

- **Wider scarf:** add rows in pairs: each 2 rows add about 0.7 in / 2 cm.
- **Different length:** keep the chain an odd number (an even number of stitches plus 1) and the rows will work out.
- **Stripes:** change color every 4 rows at the end of a row.

FAQ

Why is my scarf narrower at one end?

The foundation chain is tighter than the rows. Next time chain with a bigger hook. On this one, block the scarf: wet it, lay it flat and let it dry.

Can I use chunky yarn?

Yes, with a 6.5 mm hook and fewer stitches. Make a swatch, count the stitches in 4 in and multiply by 15 for the long loop (it must be an even number).

More scarves and winter makes: the beginner scarf, the twisted headband and the crochet balaclava.
